***Alvarez Sensei began his Aikido career in 1964 when he joined New York Aikikai under the direction of Yoshimitsu Yamada Shihan. He became the first ushi-deshi at New York Aikikai, taught there for nearly 30 years and then as Chief Instructor at Barcelona Aikikai. Having experienced taking ukemi at demonstrations in New York in those early years he has memories of when Kanai Sensei first came to the U.S. from Japan. Please bring any questions you may have to the Q&A, stay for dinner if you can, or just drop in. Hope to see you there!!***
